\$1,355

(Industrial price: \$1,717)

Millermatic 211

The Millermatic 211 is also available with running gear and cylinder rack.

Item No: MIL-951603 (with cart)

\$1,545

(Industrial price: \$1,960)

Hotspotter all-purpose propane torch

The Hotspotter from Western Enterprises is an all-purpose propane torch that delivers at full cylinder pressure without smoke or fumes. Used for exterior maintenance, repair, weed burning and ice melting, the torch hooks up to a standard 20-lb. propane tank and also has a push-button igniter for fast and safe lighting. Comes with an ergonomic handle and adjustable trigger.

Item No: WB-100

\$77

(Industrial price: \$120)

Cold-weather gloves

NEW! The 1414CW split-top grain cowhide winter glove from the John Tillman Co. has a 40-gram Thinsulate™ lining, knitted wrist and offers touch screen capabilities. Waterproof coating on the leather keeps hands dry.

**Item No: TIL-1414CWS; TIL-1414CWM;
TIL-1414CWL; TIL-1414CWXL** **\$11.05/pair**
(Industrial price: \$15.50/pair)

These winter gloves from John Tillman Co. come in top-grain pigskin which helps resist moisture, and a nylon spandex back for a comfortable fit. 100-gram Thinsulate™ lining keeps out the cold. Available in sizes M, L and XL. Additional sizes available on request.

Item No: 1590-L; 1590-XL **\$13.43/pair**
(Industrial price: \$18.80/pair)

Thermal head and neck coverage

The N-Ferno Black Balaclava has full thermal head/neck coverage that tucks into jackets. It fits comfortably under a hard hat or helmet, and provides warmth in mild to extreme conditions. *not to be used near open flames or sparks

Item No: 16821 **\$7**
(Industrial price: \$10.44)

Oxy-acetylene torch outfit

The Flame Tech medium-duty, oxy-acetylene torch outfit for cutting and welding uses Victor® style tips, cuts up to 5 inches and welds up to 1.25-in. steel with optional larger tips. The kit includes medium duty acetylene and oxygen regulators, a medium duty handle and cutting attachment, cutting tip and welding nozzle.

Item No: FLA-FTVDMUK-20CS **\$165**
(Industrial price: \$193)
